#### Why it is the best time to place an order now?

1. The peak sales season starts from October of every year, as the arrival of many large-scale festivals, Consumers' demand rises.

2. During Shipping peak season coupled with peak season needs, As usual it has pushed UPS/Fedex/DHL to once again and again raise fees on goods flowing from China to the foreign countries at the end of year.  
3. Because of the shipping traffic jam, it will takes one week for the Warehouse scheduling, so the delivery time will be longer than now.
