

## **Introduction to the Fall 2024 Regulatory Plan**

Executive Order 12866, issued in 1993, requires the annual production of a Unified Regulatory Agenda and Regulatory Plan. It does so in order to promote transparency – or in the words of the Executive Order itself, “to have an effective regulatory program, to provide for coordination of regulations, to maximize consultation and the resolution of potential conflicts at an early stage, to involve the public and its State, local, and tribal officials in regulatory planning, and to ensure that new or revised regulations promote the President's priorities and the principles set forth in this Executive order.” Executive Order 13563, issued in 2011, and Executive Order 14094, issued in 2023, reaffirmed and amended the requirements of Executive Order 12866. We are now providing the Fall 2024 Regulatory Plan.
